Description

Price: AUD \$599,000

'Ohana' is a Lagoon 400S2 listed exclusively for Sale with Yoti on the Goldcoast.

The Lagoon 400 S2 is one of Lagoon's successful cruising catamarans, offering an excellent balance of comfort, sailing performance and practical liveaboard capability. Designed by the renowned VPLP team, she has become a popular choice for both coastal cruising and extended offshore adventures.

OHANA is a privately owned, never-chartered 2016 Lagoon 400 S2 that has been exceptionally well equipped for self-sufficient cruising. With over 2kW of solar, an 800Ah lithium battery bank, Mastervolt charging system, 4kW inverter and a Schenker Zen 50 watermaker, she is ready to spend extended periods away from marinas.

The spacious four-cabin, two-bathroom layout comfortably accommodates family and guests, while the bright saloon flows seamlessly into the cockpit. A new full cockpit and helm enclosure, fitted in late 2025, provides excellent protection in all weather.

Twin 45hp Yanmar diesels, Flexofold folding propellers, four electric Harken winches, a square-top mainsail, furling genoa and a 105m² Oxley Levante Parasailor (2022) make OHANA easy to handle whether sailing short-handed or with crew.

The inventory reflects experienced owners who have continually upgraded the vessel. Included are a Highfield AL340 aluminium tender with 20hp Tohatsu outboard, Rocna anchor with 120m of chain, Starlink High Performance, washing machine, gas and induction cooking, comprehensive tool kit, spare parts and a wide range of cruising equipment.

If you are looking for a well-maintained Lagoon 400 S2 with an extensive inventory and the ability to cruise independently from day one, OHANA presents an outstanding opportunity.

For further information or to arrange an inspection at the Boatworks, Gold Coast Marine Precinct, please contact Robert Vrind on 0428 47 22 31.

Features

Designer	VPLP
Builder	Lagoon Catamarans
Water (Potable) Capacity (l)	2 x 300l
