Description

** NOW SOLD

2006 Lagoon 410 S2 'Panormitis' - Proven Bluewater Cruiser & Exceptional Liveaboard

Now exclusively for sale with YOTI in SE Queensland

Designed by renowned naval architects Van Peteghem/Lauriot-Prévost, the Lagoon 410 S2 is one of Lagoon's successful cruising catamarans, offering an excellent balance of performance, comfort and practicality.

Panormitis is a well-presented and extensively upgraded example, ready for her next adventure. Her proven Yanmar 40hp shaft-drive engines, quality UK Sails wardrobe and comprehensive navigation equipment provide confidence whether cruising the Queensland coast or heading offshore.

A standout feature is her impressive self-sufficiency. She has a substantial 1,400W solar array, brand-new 800Ah Victron lithium battery bank, Victron inverter/charger with Cerbo GX monitoring, 7kVA Onan generator and Stella 100L/hr watermaker, allowing extended periods away from marinas.

The bright panoramic saloon flows into the spacious cockpit, creating a superb entertaining and living area. Four double cabins provide comfortable accommodation, while the current layout includes two electric toilets and two separate shower compartments.

Recent upgrades include new Victron lithium batteries, Raymarine plotter, saloon upholstery, curtains, trampoline and underwater lighting, serviced rudders and shaft bearings, plus a new Highfield tender and Yamaha outboard. The custom stainless-steel solar arch, integrated davits and swim platform further enhance practicality.

For those considering life afloat, Panormitis makes an excellent liveaboard. Reverse-cycle air conditioning, excellent refrigeration, induction cooking, generous storage and abundant renewable power combine to create a genuine floating home.

With her forgiving handling and shallow 1.2m draft, the Lagoon 410 S2 remains a benchmark cruising catamaran in her class. Panormitis presents an outstanding opportunity to step aboard a capable, comfortable and exceptionally well-equipped Lagoon.

Contact Robert Vrind on 0428 47 22 31 for further information or to arrange an inspection at Boatworks, Gold Coast.

Features

Designer	Van Peteghem/Lauriot PrÃ©vost
Builder	Lagoon Catamarans
Water (Potable) Capacity (l)	400
