Description

Price: AUD $790,000

Bilby is a 2018 Lagoon 42 listed exclusively for sale by YOTI on Sydney Harbour.

This is a three cabin owners' version presenting in impressive condition with a very solid inventory.

All the major items are included: generator, air-conditioning, water maker, lithium power bank, Code 0, and asymmetric. There is a washer / dryer plus a full suite of instrumentation including two chart plotters, auto-pilot, AIS, and RADAR. Gas has been removed and electric and induction cooking appliances installed - fuss free and efficient. A larger 3500watt inverter has been installed. Bilby was upgraded with the larger 57Hp engines which have logged around 1350 hours.

Bilby equally suits extended Bluewater cruising and simple lazy afternoons in your favourite bay. She is AMSA registered so ready for Pacific adventures.

The Lagoon 42 remains a hugely successful model globally due to its versatile size, easy handling, plus distinctive design and functionality. In Bilby, we have a very well specified and neat example.

Contact Peter Mactier for further details and to arrange inspection in a marina berth on Sydney's Middle Harbour.
