Description

** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)**

Currently berthed in Coomera, Queensland, 'CoKeMa' is a beautifully maintained 2018 Lagoon 42, now listed exclusively for sale with YOTI.

First launched in France, 'CoKeMa' was cleverly specified by her original owners and thoughtfully upgraded by her current owner for safe, easy, and self-sufficient bluewater cruising. She presents in excellent condition and is a standout example of the popular Lagoon 42.

Configured as the sought-after three-cabin owner's version, CoKeMa features a spacious starboard hull dedicated entirely to the owner's suite, with a large island berth, enhanced storage, and a generous forward head and shower. The port hull includes two additional double cabins, each with its own ensuite, making her ideal for families or cruising couples.

Performance and autonomy are key strengths. She was specified with the upgraded Yanmar 57hp engines, and boasts a substantial 1675W BenQ Sunforte solar array mounted on a custom solar arch. A quality inverter and a large battery bank ensure extended time off-grid without compromising comfort or safety.

Her B&G navigation suite includes plotter, radar, AIS, and more, all easily accessible from the protected helm station. The helm was upgraded with a composite Bimini and a full factory canvas cover set, as well as custom cockpit flyscreens for tropical cruising comfort.

Sail inventory is extensive and cruise-ready, featuring a near-new Code 0 and a Parasailer, in addition to the standard sail wardrobe. Her safety gear is comprehensive and current.

'CoKeMa' is a current-model Lagoon 42, equipped and ready to continue her adventures.

Please contact Tim Vine at YOTI for full details or to arrange an inspection.

Features

Designer	Van Peteghem/Lauriot PrÃ©vost
Builder	Lagoon France
