Lagoon 42 'Evenstar' - Exclusively for Sale with YOTI, Queensland, Australia

'Evenstar' is a well-specified Lagoon 42 (2022 model, 2021 build), presented in very good condition and equipped with the upgrades every cruising buyer seeks: Lithium batteries, abundant solar, wind generator, full B&G electronics suite, Starlink, Iridium, watermaker, downwind sails, forward depthsounder, recent antifoul and polish, plus a near-new tender.

Powered by upgraded twin Yanmar 57hp engines with low hours, 'Evenstar' delivers effortless handling, excellent visibility from the hardtop helm and electric winches for simple, shorthanded sail management. Her square-top mainsail, self-tacking jib genoa, Code 0 and A2 asymmetrical spinnaker provide a versatile and efficient sail plan for both coastal and blue-water cruising.

The interior is bright, modern and inviting. Three well-appointed, spacious cabins, generous storage and Lagoon's hallmark natural light create a comfortable onboard living environment. Her saloon flows seamlessly to the cockpit, forming a single-level indoor-outdoor social space ideal for family cruising and entertaining.

A standout feature is her upgraded power system -- Mastervolt lithium house batteries supported by high-output alternators, twin 3000W Mastervolt Combi units, 2,160W of solar and a wind generator -- ensuring reliable energy management and effortless living at anchor.

Recent works include fresh antifoul, hull and deck polish, and Propspeed (November 2025), making Evenstar a genuine turn-key offering.

Key features include:

- o Owners' layout - three en-suite cabins
- o Upgraded Yanmar 57hp engines with low hours (1340hrs)
- o Mastervolt lithium system with dual 3000W Mastervolt Combi units
- o 2,160W solar array, wind generator and high-output alternators
- o Reverse-cycle air conditioning and washer/dryer
- o Electric winches at helm & self-tacking jib for easy shorthanded sailing
- o Code 0 on continuous furler and A2 asymmetrical spinnaker with sock
- o B&G Zeus electronics at helm and nav station, Radar, AIS, autopilot, Starlink & Iridium
- o Highfield CL340 tender with side console
- o Rocna 25kg anchor with Quick windlass
- o Lifteraft and offshore safety gear

Well-optioned, beautifully maintained and ready for immediate cruising, 'Evenstar' represents great value in today's market. The equivalent price for the vessel with Australian duty and GST paid is approximately AU\$860,000.
