Description

**** NOW SOLD -[CLICK TO VIEW SIMILAR LISTINGS](#)****

'Let's Dance' is a 2022 model Lagoon 42, launched late 2021 and exclusively for sale with YOTI on Pittwater.

Now offered at \$865,000, this Lagoon 42 is specified to a very solid level with the big-ticket factory-fitted options already onboard – generator, air-conditioning, and watermaker.

With over 1,000 Lagoon 42's built, this is the most successful cruising catamaran of all time, thanks to her smart design and class-leading features. The mast has been moved aft to allow for a large self-tacking headsail and easily managed mainsail. Boarding is simple via the extended transoms, and only two steps lead to the spacious cockpit, which flows seamlessly into the saloon. Wide side decks, safe access to the helm, and the large hard-top bimini add to her easy functionality.

'Let's Dance' is the highly sought-after three-cabin owner's layout. The starboard hull is dedicated to a luxurious owner's suite with a private head, separate shower, generous storage, and a neatly installed washer/dryer. The port hull offers an aft VIP cabin, a forward double cabin, and two private heads with showers. The saloon and cockpit are perfectly proportioned with clear views throughout.

Her comprehensive inventory includes B&G instrumentation with AIS and autopilot, davits with an aluminium Highfield RIB, and numerous upgrades: larger 57Hp Yanmar engines, square-top mainsail, 2 x electric winches, increased house battery bank, cockpit cushions with stern back rest, upgraded double helm seat, forward and roof sun lounges, electric quiet flush toilets, and BBQ on custom stand. A solid safety inventory is also included, with life raft and EPIRB.

Professionally maintained, 'Let's Dance' was last antifouled in October 2024 and is presented in excellent condition.

Available for inspection on Pittwater – contact Peter Mactier for further details.
