## Description

Price Reduced: AUD \$915,000 Ex Tax

First launched in France in 2021, and now berthed in Noumea, 'Vaite' is a one owner, current model Lagoon 42 in excellent condition and exclusively for sale with YOTI.

Ordered as a three cabin owners' version this 42 was specified with the larger Yanmar 57hp diesels, a 1220w Victron solar array on a custom solar arch, inverter and a good-sized battery bank allowing easy and self-sufficient blue water cruising.

Her layout is perfect for family/couples cruising. She has a dedicated owners' hull to starboard with a large island berth, upgraded additional storage and full and spacious heads compartment in the bow. In the port hull are two other cabins each with their own heads with showers.

Vaite was ordered with a full suite of B&G instrumentation including plotter, radar and AIS all displayed at the helm. Her helm station was upgraded with a composite bimini cover and a full cover package both from the factory. She has also been specified with a full wardrobe of cruising sails and safety equipment designed for extended, safe and comfortable passage making.

Freshly antifouled in January 2024, Vaite is ready to set sail. Unsure about buying a boat in the Pacific? See how YOTI can help you through all aspects of this process [Setting Sail in the Pacific](#)

Please contact Tim Vine to discuss this very well cared for, current and complete 2021 Lagoon 42.

Price Ex Tax; Ex Pacific
