Description

** NOW SOLD [-CLICK TO VIEW SIMILAR LISTINGS](#)**

Oscar is an immaculate Lagoon 450 SporTop that is now listed exclusively for sale with team YOTI Sydney.

The SporTop version of the 450 has an offset, safe helm position, designed to reduce separation of crew and skipper. With the same sail area as the flybridge version, but lower boom, putting the mainsail away is simple. Oscar was also ordered with the optional composite Bimini and is fitted with 2 solar panels and clears.

Oscar is the owner's layout, with the master stateroom extending the entire length of the starboard hull and two further spacious double cabins in the port hull both with an ensuite.

Her interior is a beautiful matt Alpi Teak with Oak flooring. The flooring in the hulls and steps are fitted with additional custom quality carpets. Her saloon is airy and light, with the trademark excellent all round visibility that Lagoons are so well known for.

A comfortable and large L shaped settee with table is to starboard and the navigation station with remote joystick for indoor steering is to port. The U- shaped galley with Corian tops has lots of counter space and due to the revised orientation, easier access to the cockpit.

The helm station is set up to control the whole boat. Visibility from the helm is great with all the electric primary, manoeuvring and mainsheet winches all within reach. At the helm is B & G touchscreen GPS with AIS receiver.

Oscar is powered by twin 57 hp Yanmar diesels that will give her a cruising speed of around 7.5 knots. The Swift RIB with a 15 hp Yamaha outboard is stored on large davits with a dedicated manual winch for ease of retrieval.

This Lagoon 450 SporTop is an absolute turnkey, Bluewater cruising catamaran and awaiting her next adventure.
