Description

Manjaro is a 2016 Lagoon 52 Flybridge in excellent condition now exclusively for sale with YOTI Multihull.

Delivered with nearly every box ticked, Manjaro was impeccably specified and is now offered for sale in Tahiti.

The Lagoon 52 offers a supreme blend of comfort, space, performance and serious good looks. The internal space gives huge capacity and light. Her cockpit is spread across two seating areas with a separate dinette to starboard and lounging area to port. There is a wet bar with drinks fridge to forward in the cockpit. The saloon has a great sized galley to port with a cooker/ oven, dishwasher, front opening fridge and very usable storage. To starboard is another huge dinette with U shaped seating. Centrally forward is the navigation desk.

Manjaro is the four cabin owner's version. Moving below, the owners' cabin is to starboard. Entering midships you appreciate the sheer size of this stateroom, with desk, and aft the huge athwartships island bed. Forward is a comfortable guest cabin.

Midships in the port hull is a pantry plus washing machine. Forward is another double cabin, again with a good sized island double with separate ensuite and shower (all four cabins have ensuites). Accessed privately from the cockpit is the final and very impressive guest cabin with island double and a huge ensuite and shower.

The Flybridge is set up to control the whole boat. Visibility from the helm is fabulous, with all the electric manoeuvring and mainsheet winches within easy reach. At the helm is a B & G 16' plotter with RADAR and AIS plus anchor and bow thruster controls.

Her easy to handle rig features lazy jacks and boom bag, furler self tacking jib and Screecher / Code 0 on a furler, all controlled from the flybridge.

Manjaro is powered by the upgraded Yanmar 80's, with low hours and an Onan genset. Also optioned at order was the 60000btu air conditioning to saloon and cabins and bow thruster. A water maker was added to make her totally self sufficient. The Highfield RIB with Honda 40Hp outboard lifts on the Tender Lift.

This Lagoon 52 Flybridge is an absolute turnkey Bluewater cruising catamaran, with every conceivable option fitted and is awaiting her next adventure.
