Description

** NOW SOLD [-CLICK TO VIEW SIMILAR LISTINGS](#)**

Suite 2 is a 2014 Lagoon 52 Flybridge in great condition that is now listed exclusively for sale with YOTI Multihull in Southport, Queensland.

Delivered with nearly every box ticked, Suite 2 was impeccably specified by her very experienced and fastidious first owners.

From the moment you board Suite 2, there is a feeling of space and light. Her cockpit is spread across two seating areas with a separate dinette to starboard and lounging area to port. There is a wet bar, drinks fridge and ice maker to forward in the cockpit. The saloon has a great sized galley to port with a cooker/ oven, dishwasher, front opening fridge and very usable storage. To starboard is another huge dinette with U shaped leather seating. Centrally forward is the navigation desk with duplicate navigation instruments and engine panels.

A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Moving below, the owners' cabin is to starboard. Entering midships you appreciate the sheer size of this stateroom, with desk, settee and aft the huge athwartships island bed. Forward is the superb bathroom with double washbasins, with separate toilet and enclosed shower.

Midships in the port hull is a pantry with domestic size fridge/ freezer, washer dryer and roller door type storage. Forward is another double cabin, again with a good sized island double with separate ensuite and shower. Accessed privately from the cockpit is a huge guest cabin with island double and a huge ensuite and shower.

The Flybridge is set up to control the whole boat. Visibility from the helm is fabulous, with all the electric manoeuvring and mainsheet winches within easy reach. At the helm is a Raymarine touchscreen GPS with radar/AIS and anchor and bow thruster controls.

Her easy to handle rig features a carbon boom with integrated lazy jacks and boom bag, furler self tacking jib and Screecher on a furler, all controlled from the flybridge.

'Suite 2' is powered by twin 75hp Yanmar diesel engines, with low hours and an Onan 17.5kva genset. Also optioned at order was the 60000btu air conditioning to saloon and cabins and bow thruster. A Stella 180L/h water maker was later added to make her total self sufficient. A large RIB can be stored on the davits, with an electric winch to operate the hoist lines. A custom extension allows additional storage for a canoe.

In June 2019 several upgrades were completed including installation of C-zone digital switching giving you complete control and monitoring of all electrical components on your boat from the touch of a button, new shorepower, new Mastervolt Charegmaster battery charger, new Raymarine GPS display and Multi displays, new Raymarine Autopilot, new TV and antenna.

This Lagoon 52 Flybridge is an absolute turnkey Bluewater cruising catamaran, with every conceivable option fitted and is awaiting her next adventure.

Please contact Robert Vrind at 0428 47 22 31 for further details of this fabulously presented vessel and to arrange an inspection at Southport, QLD.
