Description

Berthed at Port of Airlie, Apataki is a 2003 Lagoon Power 43 now exclusively For Sale with Yoti Multihull.

The Lagoon Power 43 was designed as a semi displacement, long range quality production power catamaran. Specified as the four-cabin version, each cabin is spacious with its own ensuite. The saloon easily accommodates six people, with space and light creating perfect visibility. A large sliding glass door opens to the cockpit for easy 'one level living'.

The galley is to slightly down and to starboard and accommodates a four-burner stove with oven and grill, two fridges one with freezer.

Powered by 2 x Turbo charged 300HP Volvo diesels, through digital throttles, Apataki will cruise all day at an economical 16 knots in comfort.

This is a rare opportunity to own this sought after Lagoon Power 43.

Please contact Robert Vrind for further details.
