Description

Built by Leopard Catamarans in 2019 for the Cannes Festival of Yachting, 'Oscar' is an immaculately presented and highly specified Leopard 51 Power Cat now exclusively For Sale in Australia by YOTI.

Ordered as the practical three cabin owners' version and powered by twin Yanmar 370hp diesels, she is capable of 25knts, but will cruise efficiently at 17knts. When cruising at 8.5 knots the boat is very economical using approximately 14 litres total per hour, and at a fast-cruising speed of 17 knots she uses approximately 80 litres total per hour.

The galley is complete and easily reached from the forward or rear cockpit and her flybridge is easily accessed and the ultimate lounging space. Her helm station is also located upstairs and provides great visibility. Specified with a 7kva generator running a full air-conditioning system to every cabin and inverter/charger, she is the ultimate adventure vessel.

Also ordered with a Highfield RIB and a 30hp outboard, a hydraulic tender lift or swim platform, watermaker, huge solar array and comprehensive instrumentation inventory, there is nothing left to do but provision her and enjoy.

Contact Tim Vine for further details.

Price Ex Tax; Ex New Zealand.
