Description

Demonstrator Price Reduced: AUD \$1,149,000

In partnership with TMG Yachts, YOTI offers for sale this brand-new Lagoon 38.

This is hull #6, delivered direct from the Lagoon factory with commissioning completed in early 2026. As the newest evolution in the Lagoon range, this model represents a significant step forward in volume, design and onboard functionality within this ever-popular pocket bluewater cruiser segment.

Presented in new condition and delivered by TMG Yachts, this Lagoon 38 is backed by the full factory warranty - 7 years on the structure, 5 years on the 29HP Yanmar engines, and 3 years general warranty. The buyer will also benefit from in-house service and aftersales support provided by the local Sydney TMG Yachts team, working in close collaboration with Lagoon's global aftersales and warranty department.

This is the three-cabin owner's layout. Space is maximized offering unprecedented useable area. Single level living is instantly obvious with only one step up from the stern. Triple opening doors seamlessly join the saloon and cockpit. The versatility of this area is game changing with large dining table, interchangeable coffee table, moveable settee, and day bed options - all included in this upgraded package.

The sail plan includes the self-tacking jib - Thank you Lagoon! Plus, a square top mainsail was chosen on order. Size and functionality is impressive on this easy to sail cruising platform.

Lagoon 38 hull #6 is here now and available for inspection on the marina at our Gold Coast HQ at The Boat Works. Contact Peter Mactier for further information and to arrange your viewing.
