## Description

Price: AUD \$119,000 Now Reduced

This 2002 Ozycat 2600 Bluewater is now listed exclusively for sale with YOTI Sydney Harbour.

Based on the highly successful Cougarcat 26 hull, the Ozycat 2600 Bluewater found a unique place in the market with people wanting a spacious and stable platform wrapped up in a small overall footprint that was safe and easy to handle.

In the Ozycat 2600, what we have is an incredibly versatile boat for someone who loves to entertain on the water, enjoys weekends away with the family or the occasional day out fishing with mates.

With her 3.5m beam, the cockpit on Cool Cat is enormous. The vision from the helm station is brilliant and she has plenty of seating including a large lounge aft, that also converts to a dinette or a comfortable berth. The head is huge with full stand-up access and includes both electric toilet with holding tank and shower and there is a large, private, double cabin forward.

There are two good sized fridges with freezer, an ice box, a stainless-steel sink, and hot and cold pressurised water system. To top it off, there is a large swim platform with purpose-built dinghy stowage. She also comes with a Raymarine 'A' series GPS/plotter - with incorporated depth sounder, a VHF radio, and a CD player.

As you would expect with her Cougarcat heritage, ride and handling are exceptional. For further details or to arrange inspection on Sydney Harbour, please contact Ian Greentree.
