Description

Price: AUD \$69,500 Now Reduced

This 1997 Sea Ray Sundancer 290 is now listed exclusively for sale with YOTI Sydney Harbour.

Designed and Built by Sea Ray in the USA, this Sundancer 290 is a part of the Sea Ray Luxury Cruiser Range.

The Sundancer 290 is a boat that has found great appeal in Australia with its large cockpit that will entertain up to 8 people and open saloon which will accommodate up to 4 adults and two kids.

The cockpit boasts a large dinette with seating for 5 people - which also converts to a day bed, and there is a comfortable sunlounge and twin seating at the helm. There is easy access through the transom door to a swim platform which doubles as a great area to BBQ.

The saloon is an open layout with a double berth forward, another double midships with a privacy door and the dinette table can drop down to another double. The galley has a flush mounted electric stove, 40 litre Weaco fridge and microwave and there is a full stand-up head with Vacuflush toilet, sink, shower and vanity.

There is a Raymarine GPS/plotter, Raymarine Radar, Raymarine sounder and log, a GME VHF radio along with a TV and stereo system.

For further details or to arrange inspection on Sydney Harbour, please contact Ian Greentree.
