Description

Built by Sydney Yachts in 2005 and consistently and extensively upgraded since, Supernova is a Sydney 36 that is now listed exclusively for sale with YOTI, Sydney.

Arguably one of the best prepared 36' IRC/ ORCi yachts in Australia, this Sydney 36 has been campaigned very successfully from MHYC where no expenses have been spared by her current owner.

With a complete and current wardrobe of mainly Doyle Offshore Sails, new B&G H5000 sailing instruments, new electric backstay and IRC optimised prodder, she is ready to win her next race.

Professionally maintained by a boat manager, she presents an opportunity to win any race on IRC or ORCi with minimal preparation costs.
