Description

Price: AUD \$225,000

YOTI proudly and exclusively offers for sale this brand new VIKO S30.

The VIKO S30 is a speedy, versatile, pocket rocket with big features. This is a new yacht offered for sale from the dealer. Anyone considering a new or near new Beneteau, Hanse, or Jeanneau should take a look at this VIKO.

The cockpit is seriously impressive and familiar with four Lewmar self-tailing winches and a central mainsheet. Cockpit cushions and removeable backrests make for an incredibly comfy space which rivals larger yachts. Access is easy via the open transom. There is a swim ladder and good storage.

Navigation is by Raymarine and includes a colour chart plotter and auto-pilot. This is the 'Cruiser' version so is packed with additional features including hot and cold pressure water, shore power system, two burner stove, fridge, additional storage lockers, push-pit seats, electric toilet with holding tank, and doors on the forward cabin. There are six berths and the full beam aft cabin is incredible.

Sails include the main in boom bag with lazy jacks plus furling genoa and asymmetric spinnaker / gennaker flown off the bow sprit.

Powered by a YANMAR 1GM10 (9,1 HP) with sail drive, the VIKO S 30 offers features we expect on larger yachts.

Remaining warranty is included, and the vessel is available to own now .

Contact Peter at YOTI for further details and to arrange inspection off our office at Quays Marina, Church Point.
