Hull Style	Single	Hull Type	GRP
Power Type	Sail	Stock Number	Meltemi SYC
Condition	Used	State	New South Wales
Suburb	PITTWATER	Engine Make	Model - D2-55.

Description

Meltemi is a 2005 Wauquiez Centurion 40s that is now exclusively listed for sale with YOTI Pittwater.

Launched new in 2005 and built in France, the Wauquiez of this generation were a quality higher end option standing out above the common production brands. The Centurion was for those wanting a brilliant blend of comfort, quality and performance.

Meltemi is both designed and set up for comfortable quick sailing with the ability to easily and safely complete ocean passages. Most recently, Meltemi was set up to complete in the Melbourne - Osaka two handed race. Sadly some personal issues for the owners meant she did not make the start line. As a result, Meltemi boasts new standing rigging (2017), safety gear which was recently compliant to Cat 1 level, an impressive sail wardrobe (think laminate Kevlar main, new Asymmetric spinnaker and new Code 0), plus largely updated navigation instruments.

Disclaimer

A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Meltemi is a two cabin layout (both large) with the owners cabin forward. Being a single head 40 footer, the layout allows for additional space in the forward cabin and saloon plus allows for the single head and shower (with shower stall) room to be more generous compared with those 40 foot yachts often struggling to accommodate two heads / bathrooms on board. She features a proper sea-going galley, a real nav station and a very comfortable yet practical saloon table with good length single berths.

Meltemi has recently completed an extensive East Coast Australia cruise from Melbourne to Cairns and return. The boat is Australian registered and can be sailed out of Australian waters at any time.

Meltemi is a glamorous, swift, easy to sail 40 foot cruising yacht equally suited to someone casting off on an extended adventure or simply someone seeking a quality higher end option.

Contact Peter Mactier at YOTI for inspection on Pittwater.

Features

Designer	Beret Racoupeau.
Builder	Wauquiez Yachts France.
Water (Potable) Capacity (l)	440 litres in 2 tanks - Rotomolded tank.
Hull Construction Material	GRP - Sandwich with Balsa Core. Vinylester resin for osmosis resistance.
