## Description

Next Light is a 2006 X-Yachts X-35 now exclusively for sale with YOTI on Sydney Harbour.

Designed by Niels Jeppesen, the X-35 has such broad appeal not only able to perform in close One-Design fleet racing, but also as a fast and fun club and offshore racer or fast cruiser. They are light and responsive to steer, a delight to sail short-handed and highly rewarding when pushed to their limits.

Next Light is extremely well maintained and beautifully finished internally in Mahogany trim. All her cushion covers have recently been replaced and she comes with an extensive electronics package, a large sail wardrobe and a high level of safety equipment including an eight-man RFD Liferaft.

For further details and to arrange inspection on Sydney Harbour contact Ian Greentree on 0437 397298.
