Description

** NOW SOLD -**CLICK TO VIEW SIMILAR LISTINGS****

'Sextant', a 2010 X-Yachts X34, is a dual purpose family cruiser and exhilarating racer exclusively listed with YOTI.

She is a well balanced yacht and will excite any sailor who enjoys comfort and performance. X-Yachts fall into a category of their own.

Exceptionally well built and finished, an X-Yacht is a cut above the rest. Sextant has a cruising wardrobe of sails and a racing wardrobe that has had very little use. Currently she has a Tuffluff headstay system which the owners have preferred for, there sailing. A brand new still in the box below deck headsail furler is also included in the sale.

Interior is still in very good condition and with many extras like autopilot and dodger this yacht would suit the 2 Handed offshore market.

Located on Lake Macquarie at Empire Marina, 'Sextant' is available for your inspection.

Please call Stuart Broom for more details and to arrange an inspection.
