**Description**

\*\* NOW SOLD [-CLICK TO VIEW SIMILAR LISTINGS](#)\*\*

Built in 2007 this X-41, Patrice Six is now listed exclusively for sale with YOTI Race.

The X-41 is a One Design thoroughbred crafted by the hugely respected X Yachts of Denmark and Patrice Six boasts a proven record in Australian blue water sailing. The X-41 is a stiff, strong hull with a sleek fine entry, T keel and fully carbon mast and boom with rod rigging. The E-glass hull is further strengthened by an internal steel frame which spreads mast loads.

Patrice Six has recently been fitted with a brand new main and #2 by Doyle to compliment the complete sail wardrobe. The Volvo engine was installed new in just 2017.

Disclaimer

Our company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

We also see in the X-41 the ultimate crossover - a serious racing performer coupled with a comfortable cruiser. The optional anchor box with electric windlass has been factory fitted. The saloon table and cabinet sections are removable when needed for competition mode. There is a large nav station opposite a practical galley with deep fridge, sink and smart storage spaces. There are three good sized double cabins plus lee cloths and pipe bunks for when at sea. A fully enclosed head and shower with holding tank is located forward.

Patrice Six offers a rare opportunity to step into an extremely well respected, well rating (both under ORCi and IRC) proven racer / cruiser and is available for inspection on Pittwater.

Contact Peter Mactier for further details.
