PORT ADELAIDE, SA

BRINDABELLA

S A I L I N G

HISTORY / EXPERIENCE / ADVENTURE

WHO WE ARE

BRINDABELLA SAILING offers customers the unique opportunity to experience Australia's most iconic Maxi Yacht Brindabella. Since 1993 Brindabella has influenced the Australian sailing scene. Her extraordinary scale, unique and classic design together with an unrivalled racing history has given her a reputation as one of Australia's most loved and admired yachts of the last three decades. Famously known as The People's Maxi, we are bringing Brinda's to the people. We are asking you to join us as we transform this historic piece of history from an elite racing yacht into an accessible sailing experience for the wider community.

While safely carrying up to 30 guests we will offer day sails in the waters around Adelaide - focussed on true sailing experience that will be both life changing and unforgettable.

The day will begin with a comprehensive safety briefing, boat familiarisation and an history of Brindabella. The day will conclude with guests being pampered with great food & hospitality by our amazing crew, sharing tales of the day, as we cruise back down the Port river to our dock. Weekdays will serve the small business and corporate sector. Those that are yearning for something a little different and exciting to take their teams or customers on. Non gender specific, non alcohol focussed good old fashioned fun and excitement. Without doubt the best way to reconnect work from home teams.

FOR THOSE who seek an experience unlike anything else Adelaide has to offer. Be connected and empathetic with the ocean environment, thrive when learning about history, enjoy the adventure but also enjoy the creature comforts of modern amenities, a safe and luxurious sanctuary underdeck, gourmet food and fine South Australian wine.

We will also leverage special events, mothers/fathers day cruise, boxing day cruise, Port Lincoln race week, outreach programs, unique weddings, sunset concerts on the river or an intimate day on the water for two. How about a unique transfer to your prestigious accommodation on KI?
